

For decades, American Standard® Heating & Air Conditioning has earned a reputation for high-end, reliable engineering in heating and cooling equipment. While we pride ourselves on that, we understand that **not every homeowner, builder or property manager needs all the bells and whistles.**

## THAT'S WHERE **AMERISTAR®** FROM AMERICAN STANDARD® COMES IN.

Ameristar is exactly what your business wants to stand out from the competition, and what your customers need: an HVAC product that's easy to install, built to last—which can mean fewer call backs and less maintenance—and priced to be the better solution for any property type.

- ✓ **Fills the gap between American Standard premium equipment & less reliable value products.**
- ✓ **Provides dealers & contractors a single-source solution for virtually every repair & replacement scenario.**
- ✓ **Equipment & parts available through local American Standard distributors, sales offices & supply stores.**
- ✓ **Practical warranty options [NO REGISTRATION REQUIRED]**
  - 20 YEAR** Limited functional parts warranty<sup>^</sup>
  - 10 YEAR** Functional parts warranty with product registration<sup>^</sup>

<sup>^</sup>per limited warranty terms

- ▶ All-aluminum coils
- ▶ Scroll compressors
- ▶ Quiet operation (76 dB)
- ▶ Smaller size options for tighter spaces
- ▶ Pre-painted steel cabinet & base pan

#### NOTE

Odd-number capacity in the model number, for 2.5 ton and below, indicates smaller-footprint outdoor unit options that still meet minimum efficiencies with AC/Coil/Furnace and HP/AH systems. Visit AHRI.org and ASDealerNet® to verify system match ups.

# FAQ

## Who is the target Ameristar customer?

Ameristar is intended to be a dependable product at an affordable price point. Customers for Ameristar are customers that would otherwise choose another brand over American Standard because of price, and aren't willing to pay for premium features and the most reliable brand.

## What is the Ameristar warranty?

All Ameristar products will come with a limited manufacturer's parts warranty of 10 year coverage on the compressor, 10 year indoor/outdoor (refrigeration) coils, 20 year furnace heat exchangers, and 10 years on all other functional parts - all with registration.

## Will Ameristar have a website?

Yes, the web address is [AmeristarHVAC.com](http://AmeristarHVAC.com)

## Will replacement parts lists be available?

Replacement parts lists will be available on ASDealerNet<sup>®</sup>/WebCats and LaunchPad.

## Will Ameristar be included in American Standard 360°?

Yes. Replacement parts lists and equipment/parts ordering will be available through the American Standard 360° app at launch.
