Full technical information has been published to ASDealerNet.

As shown on page two of this product bulletin, we have re-designed the 5-ton model to more closely resemble the original 4TXFH model (phased out). We have done so to make it easier for replacement of existing 4TXFH flat coils and to capture improved ratings. Given this, we will not be offering a supplemental \$250 warranty on the new 4PXFH009BZ3HHA as we do for the copper/aluminum 4PXFH009AZ3HHA.

New Model No. (Aluminum/Aluminum)	Cu/Al Model No. (Phasing Out)	TXFH Model (Phased Out)	Capacity	Cabinet H x W x D (inches)	Duct Flange Opening H x W (inches)
